Sunnybrook employs the A-BEKA curriculum published by Pensacola Christian College. This “God centered” curriculum uses a traditional format founded upon the Biblical principle of “line upon line, precept upon precept”. Character building exercises and drills are interwoven on every level.

## PHILOSOPHY

The educational philosophy of Sunnybrook is based on the Bible as the sole authority for the evaluating of truth, for determining practices, and as the basis of our faith. The Bible states that all things were created by and for the glory of God. They owe their existence and preservation to the work of Jesus Christ by whom all things consist.

Man is a special creation who was made in the image of God. Man alone has the unique capacity to know and respond to God. When man fell and became a sinner by nature and practice, he lost this capacity to respond or perform any works of righteousness that are acceptable and glorifying to God. It is only through the new birth that man is restored to fellowship with God and by the power of the Holy Spirit that He can know and honor God in his life.

The Holy Spirit uses the Word through the entire educational process to cultivate the student’s fellowship with God, to develop within each student a Christian mind, and to instruct him in Godly living, so that he might fulfill the total purpose of glorifying God in life. The teacher, as a born again believer, must model the life of Christ as revealed in Scripture to help the student conform to the image of God.

The Administration of Sunnybrook Christian Academy reserves the right to make any additions, deletions or alterations it deems necessary without prior notification.

## STATEMENT OF BELIEF

**Sunnybrook Christian Academy** is a ministry of **Temple of Praise Church**. Following is a statement of beliefs.

1. We believe in one God, Son and Holy Spirit, Creator of all things.
2. We believe that the Lord Jesus Christ, the Son of God, was conceived of the Holy Spirit, born of a Virgin, was crucified, died,

buried, resurrected, and ascended into Heaven and is now seated at the right hand of the Father, and is true God and true man.

3. We believe the Bible in its entirety to be the inspired Word of God and the infallible rule of faith and conduct. (2 Tim.3:15-17).
4. We believe in the resurrection of the dead, the eternal happiness of the saved, and the eternal punishment of the (unsaved) lost.
5. We believe in personal salvation of believers through the shed blood of Jesus Christ.
6. We believe the Biblical concept of marriage and sexual orientation.
7. We believe in sanctification through the Word of God, by the Holy Spirit in the personal holiness of heart and life.
8. We believe in divine healing, through faith in the Name of Jesus, and that healing is included in the Atonement.
9. We believe in water baptism, in the baptism of the Holy Spirit as distinct from the new birth, in speaking with tongues as the Spirit of God gives utterance (Acts 2:4), in the gifts of the Spirit, and the evidence of the fruits of the Spirit. We believe that all are available to believers.
10. We believe in the Christian hope, the soon coming, and personal return of the Lord Jesus Christ. We believe in evangelizing and missionary work in accordance with the Christian commission in Matthew 28:19.

-1-

The need for spiritual growth in the light of these principles has led Sunnybrook to adopt standards that are believed to best promote the environment and the spiritual welfare of the student. The school requests that students in grades 5<sup>th</sup>–12<sup>th</sup> sign the following pledge.

Throughout my enrollment as a student in Sunnybrook I pledge to:

- Obey those that have authority over me for this is right in the sight of God.
- Accept all school policies, rules, and procedures with a proper attitude because discontentment can become a costly habit that can rob me of the pleasure of being a positive student.
- Be responsible do my own work, and to behave in a way that will not disrupt the teaching-learning process.
- Maintain a kind, courteous, and respectful attitude toward fellow students and teachers.
- Maintain Christian standards in honesty (not lie, cheat, or steal), stewardship, and morality.
- Refrain at all times from the use of profanity, offensive slang, and vulgarity in word or action.
- Abstain from smoking, drinking alcoholic beverages, the abuse of drugs, gambling, involvement in inappropriate music, and/or behavior.

I am expected to not only keep this pledge and abide by its standards whether at **home**, at **school**, or **elsewhere** (Acts 9:15), but also to encourage my peers in following it. This will require courage, consistency, diligence, and a genuine enthusiastic effort.

Failure to follow this standard of conduct will be cause for discipline and/or suspension. If I am found to be out of harmony or in breach of conduct with Sunnybrook’s ideals of work and behavior, I understand that I may be invited to withdraw. Ephesians 5:3 says in part “...*immorality, all impurity, or covetousness, let it not be once named among you...*”

Student’s Signature \_\_\_\_\_

These restrictions may appear arbitrary to some; but while not condemning others who see differently, Sunnybrook believes that certain types of conduct are detrimental to our goals. In an atmosphere of positive standards of conduct, good scholastic planning, and a personal interest between faculty and student, there is opportunity to develop strong Christian character.

## PARENT – TEACHER CONFERENCES

During the school year two (2) separate parent teacher conferences are mandatory. One is at the beginning of the year for Open House and one at the end of the first semester in January. A parent may request a conference with

a teacher during the school year by writing the teacher a note or calling the school office and making the proper arrangements. If a conference with the Principal is desired, the same procedure should be followed. Please do not attempt to see a teacher, principal, or administrator without an appointment.

## VISITORS

It is the desire of the administration and faculty to be of service to both parent and student. A visit from any parent is welcome; however, it must be made by appointment to avoid interruption of the teaching-learning process.

We are unable to accommodate visitors during lunch. Our lunch serving times must remain on schedule. Lunch with your child for a special occasion must be pre-arranged.

All visitors, including field trip chaperones, must sign in through the office.

Students are not allowed to have friends visit during school hours.

## LION PRIDE BOOSTER CLUB

Parents of all grade levels are to participate with the SCA Booster Club. A Fall Fest and various other fundraisers help raise much needed funds for educational, athletic and campus improvements.

## FINANCIAL

A non-refundable Registration and Evaluation Fee is due and payable upon the submission of student(s) application(s).

A separate book fee, including other fees, is due by August 3rd. Parents purchase certain books and pay a usage fee(s) on others. The Statement of Cooperation lists the amounts for the current school year.

Sunnybrook Christian Academy operates on a 10-month financial plan given to us by our Heavenly Father. We agree together on the fulfillment of Philippians 4:19. Monthly tuition is to be tendered on the first (1<sup>st</sup>) of each month. Please be prompt in paying as a \$35.00 late fee is assessed if paid after the 3<sup>rd</sup> of the month. There is a \$35.00 charge should a check be returned.

If a student is withdrawn, parents are responsible for the full monthly tuition. No records (report cards, transcripts, etc.) can be released if there is a balance on an account.

### **NON-DISCRIMINATORY POLICY**

In the spirit of Christian unity and the love that Christ shows for all mankind, Sunnybrook Christian Academy admits students of any race, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students in the school. SCA does not discriminate in the administration of educational policies, scholarships, or any other school administered programs.

Sunnybrook does, however, reserve the right to use appropriate selection criteria in fulfillment of its stated Christian goals and objectives.

-14-

As God supplies, the local body and the administration have the responsibility to provide the facilities and personnel for young people to grow spiritually into the whole person.

The Authority for such education comes from God's command that children be taught to love God and place Him first in their lives, and the fact that parents are responsible for the total education and training of their children.

Upon the parents' request, the Christian school will seek to aid the parents in fulfilling their God-given responsibility of training their children in the way of Godly living. The student must be taught the Scripture as the basis for all knowledge and wisdom as it will permeate every academic endeavor.

We further believe that the school is a special service to the children of parents who share our concern for each person's relationship with God.

We believe that our curriculum meets the requirements of college preparation and more importantly, exemplifies Biblical standards.

### **STANDARD OF CONDUCT**

Sunnybrook Christian Academy holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate Biblical basis for the idea of spiritual growth into the image of Christ (Romans 8:29), which is the work of the Holy Spirit (2 Corinthians 3:18). This growth begins with the initial act of saving faith and continues throughout life. The Holy Spirit makes the Christian aware of the biblical demands for a holy life which fulfills both God's moral law and high law of love (Matthew 22:37-39; Romans 13:8-10; Galatians 5:14). The result is a life consecrated unto God and separated from the world.

Sunnybrook endeavors to provide an environment conducive to the spiritual development of young people who are not yet mature Christians. A standard of conduct based on the activities of the Christian must be subordinate to the glory of God who indwells us (I Corinthians 8: 9, 12, 13; 10:32).

A Christian endeavors to avoid practices which cause the loss of sensitivity to the spiritual needs of others or loss of the Christian's physical, mental, or spiritual well-being (I Corinthians 9:27).

**HOURS**

1<sup>st</sup> through 5<sup>th</sup> ..... 7:45 am to 3:30pm  
 6<sup>th</sup> through 12<sup>th</sup> ..... 8:15 am to 4:00pm

Elementary & Secondary will report to their designated area upon arrival on campus. Students will be accepted on campus no earlier than 7:30 am  
 It is necessary to pick up your child(ren) on time to avoid the assessment of late pick-up fees and the inconvenience.

*Please see Drop Off and Pick Procedures page 12*

**ATTENDANCE – ABSENCES – TARDIES**

Regular attendance is absolutely essential to be successful at school. Absences are classified as either excused or unexcused. Excused absences include sickness, death in the immediate family, doctor’s appointment, or other circumstances approved in advance.

An unexcused absence is given for any other reason, wherein:

1. A zero is given in every subject missed.
2. Missed tests must be taken and grade averaged with a zero.

Upon a student’s return to school, a note written by the parent or guardian explaining the reason for the absence must be given to the elementary or to the attendance office (6<sup>th</sup> -12<sup>th</sup>). A doctor’s excuse is required for absences of three or more consecutive days. **Students are responsible for all missed work.**

*The Compulsory Attendance Law* for the State of Texas requires that a student not miss more than 10% of the total school days, which is 18 absences, excused or unexcused. The student may be sent home and required to repeat the grade or attend summer school. Fees apply and truancy fines may be assessed.

Secondary (6<sup>th</sup> -12<sup>th</sup>) **Tardiness to school** – with few exceptions, is inexcusable. Students who are tardy to class will be subject to disciplinary action which will include lunch and/or afterschool detention on the same day. Students who are more than fifteen minutes late to school/class are considered absent, and must report to the administrative office to receive an admit. Students who drive to school and are consistently tardy are subject to losing their campus parking and/or off campus lunch privileges until on-time attendance becomes consistent. Three tardies will result in an absence. If a student is more than 20 minutes late for a class, it is considered an absence.

**Students in athletics and extra curricular programs arriving after 11:30am with an unexcused absence will not be permitted to participate the day of scheduled competition or extra curricular activity.**

*Note:* Students driving to school must submit copy of valid driver license and current insurance in order to park on campus. Students who leave school without office approval and signing out are considered truant and parking privilege will be revoked.

-11-

**ILLNESS – MEDICINE**

For the welfare of your child and others in the school, all children who are sick must be kept home. If medication is to be given at school, clear and precise written instruction must be given to the teacher *and* school office. No medication is to be in a student's possession. A school official will dispense all medication. This includes **ALL** over the counter analgesic pain relievers.

### **DROP OFF/PICK-UP PROCEDURES**

These procedures are for the protection and safety of everyone. Your cooperation is of utmost importance and is greatly appreciated.

1. **Right lane** is for pick-up and drop off only. If your child is not available for immediate pick up, please drive around or park in a parking space until your child is released.
2. **Left lane** is for drive through only. Students will not be dismissed to cars in the drive through lane as this places them in jeopardy walking in front of the pick-up lane.
3. **Speed Limit** must be observed. Entrance speed may vary up to 15 miles per hour. Upon entering the parking area, do not exceed 10 mph. Please slow down and watch for pedestrians.
4. **Late Pick-up** (elementary) is after 3:30 pm. It is required an elementary student is enrolled in TOP ECDC After School Care Program or a late pick-up fee is assessed. No student may be left unattended. *They are not to wait or loiter around the grounds.*
5. **Late Pick-up** (secondary) is after 3:45. Students remaining will report to an assigned room and late pick-up fee is assessed. No student may be left unattended. *They are not to wait or loiter around the grounds.*

**NOTE:** If you need to speak with your child's teacher, please schedule an appointment to meet with the teacher in the classroom. Elementary students are dismissed at 3:15, but teachers are on duty until 3:30 and must attend to all the students in their class.

Secondary students are dismissed at 3:35. If you have a child in both elementary and secondary, please allow for the delay by parking in a parking space. Please do not block cars in a parking space.

Student Athletes should be picked up promptly after practice or games on campus. No student is to remain on campus before a game/activity. Coaches/Directors are only responsible for the student(s) participating in games/activities.

### **DISCIPLINE**

Discipline is scriptural and will be enforced at Sunnybrook. We believe God's Word clearly shows that you cannot train a child unless there is discipline. Biblical discipline is a spiritual blend of love and control. These two factors must balance as we train the whole child – spirit, soul, and body. Discipline is something that you do for a child and not to a child and should contain positive reinforcement as well as negative. With this in mind, following is a description of our method of discipline so that we can fulfill Proverbs 22:6: *“Train up a child in the way he should go, and when he is old he will not depart from it.”* If an infraction of a rule or guideline occurs, several steps will take place. The various steps consist of non-participation in certain activities, lunch detention, after school detention, swats, in-school suspension, home suspension, and eventually expulsion. The teacher involved in the matter will discuss the infraction with the child to see if a direct challenge of the rule took place or a simple childish mistake occurred. Both must be corrected but in a different manner. Once this has been determined, the appropriate action will take place. Consequence of any discipline infraction will be determined by the school Principal, Administrator, and/or SCA School Board.

The Bible says that “foolishness” is bound in the heart of a child. All students are expected to follow the rules and be respectful. In the event the violation is determined to be flagrant and “padding” is deemed necessary, the parents will be notified and given the option of coming to the school to personally administer swats or give permission for authorized personnel of Sunnybrook to do so as follows:

- 1) The child is taken to the school office.
- 2) Authorized personnel will administer swats.
- 3) Prayer for forgiveness and strength to correct the behavior occurs.
- 4) Positive reassurance will then be given to the child.

Correction must be prompt, and if parents fail to respond when notified, the child may be withheld from class and receive a “0” for missed work or tests.

**Electronic Devices:** Electronic devices that have access to internet such as cellphones, cellular watches, tablets, lap taps etc., may not be used during school hours without permission. Electronic devices should be left in the office. Any electronic device used during school hours without permission will be confiscated. The parent may claim it from the office. Any calls must be made with permission from the school office.

### DRESS CODE AND UNIFORM

SCA provides a high quality education, academically as well as spiritually. It is our conviction that the physical appearance of our students is an essential element in the education of the total child. Proper grooming must be taught along with the other rules concerning manners and morals. We insist upon Christian **modesty** and **neatness** in dress and general appearance. Administrative discretion applies in all dress code matters.

It is important that parents recognize their obligation to the school and to the child to have each child in full and proper uniform every day school is in session. ### HOMEWORK

An assignment book (or steno pad) to record homework assignments is required in all grades. A secondary student who does not do an assignment will serve an after school detention the same day of the violation. Students will be required to do the missing assignment as well as that day’s assignment for that particular class. There is no prior notice to the parent. To avoid inconvenience, please check that your child’s homework is completed each evening and sign the steno.

On Wednesdays and days of special activities at S.C.A., homework assignments should be kept to a minimum (with the exception of unfinished class work that might need to be sent home). Considering the speed at which the child works – the average time for homework should not exceed one and a half-hour of consistent work time. This does not mean that the child will have 1½ hours of work every day, but it does give a frame of expectation of the child’s performance within the curriculum. As the grade level increases, so will the workload.

### GRADING SCALE

Grading periods occur every nine weeks. Report cards may be issued at Parent–Teacher meetings, sent home with the child, or mailed. Numerical and letter grades are used as shown.

90 – 100 = A    80 – 89 = B    75 – 79 = C    70 – 74 = D    60 – 69 = F
